

Homework

Atom Learning- Maths and Science

TTRS- garage

RE home learning- Due 18th May. Complete a scavenger hunt- ideas on our class page.

Spellings

Reading

Maths

In maths this week, we continued looking at fractions. We explored non-unit fractions of a set of objects as well as reasoning with fractions of an amount. After this, we completed our end of unit assessment.

Then, we moved onto our next unit on money, looking at pounds and pence.

Star Writer

George S

Fantastic Handwriting

Alex

Science

We started our new unit today on Plants. We started the lesson recapping what plants need to grow and survive and then set up a comparative experiment with one plant in a plastic bag and the other not. We will be testing what air does for a plant by observing the plant throughout the new few days.

English

This week, we looked at the book Omar, the bees and me again, but this week, we wrote a diary entry. We wrote as if we were a child in Omar's class.

In Reciprocal Reading, we continued reading the book, The Boy Who Grew Dragons.

RE

This week, we made links between the Emmaus story and the Mass. We drew a Venn diagram and looked at what is the same, what is different and what is at the centre of both.

We then connected the disciples' mission in Acts with the Early Church and the Mass, writing about the four things they devoted themselves to.

Computing

We started our topic on sequencing sounds, using the app Scratch Jr.

We all explored the Scratch Jr app, having a go at adding different sprites (characters), backgrounds and movements.

PE

Athletics and Football

PSHE

This week we continued our topic on Relationships.

We identified and put into practice some of the skills of friendship e.g. taking turns, being a good listener.

We then discussed how to negotiate in conflict situations to try to find a win-win solution.

Year 3

Summer 1 2026

20.4.26 to 24.4.26

NOTICES:

We have our class photos on Thursday 30th April. Please come to school in school uniform and bring the PE kit in a bag.

We have our mini marathon on Friday, which is very exciting!

Gold book

Lily S for being a real role model to the rest of the class. For always being on task and doing the right thing. Well done for all your hard work!

History

We continued our unit on the Local area, looking at Hoddesdon.

We looked at Roman roads and how this links to Hoddesdon. We discussed one of the famous Roman roads, Ermine Street, which is still used today.

We then write a set of instructions on how the Roman Roads were built.

Art

This week in art, we reflected on our own and others printing from last week.

We then choose different textured objects to produce a piece of artwork. We used one colour ink and different coloured surfaces to explore the effects of the material.

Spellings- to be tested on 30.4.26

Remember you can choose to learn 5, 10 or all 15
