Extra home learning

To celebrate David Attenborough's 100th birthday, why not become him for a day and create your own fact file about an animal of your choice.

I would love for you to share these with the class.

English

This week, we wrote a character description about the giant from Jim and the beanstalk. We used expanded noun phrases, conjunctions, as well as other previously learned skills, to write a very detailed character description.

We continued reading The boy who grew dragons in our Reciprocal Reading.

RE

This week, we found links between Matthew 28:16-20 and Mass. We looked at the similarities between what Jesus said to his disciples and what the Priest says at the end of Mass. We discussed how the missions are the same.

We then looked at how Mary joined the disciples in prayer. We read the passage Acts 1:12-14 and discussed what happened after the ascension.

We looked at a picture of Mary, Jesus and the disciples and completed a see – think – wonder about this picture.

We went on a Scavenger Hunt on the field and enjoyed exploring nature. This was in celebration of David Attenborough's 100th Birthday.

PE

Athletics and Football

Maths

In maths this week, we started our topic on Time. We learnt the Roman numerals to 12 and labelled a clock with these roman numerals. We also told the time to 5 minutes, to 1 minute and read a digital clock.

Any practise at home with telling the time, will help massively at school.

PSHE

This week we continued our topic on Relationships, but looked at how we can improve our relationships with others through Jesus' teachings.

We listened to the story of the Prodigal Son and discussed what we could take from this story.

We also looked at how we could show forgiveness to others.

Year 3

Summer 1 2026

4.5.26 to 8.5.26

NOTICES:

We have an exciting trip planned for Thursday 21st May, to go to Lowewood Museum. A letter will be sent out with more details.

We will be celebrating Mental Health Week next week.

Gold book

Leo for showing real positive behaviours in the classroom and being a role model to the class.

Star Writer

Owen for a very well written Star Write with some great choices of vocabulary.

Fantastic Handwriting

Luca for trying so so hard on your handwriting all week. Keep it up!

History

We continued our unit on the Local area, looking at Hoddesdon.

We learnt about the New River which starts in Hertfordshire and flows all the way to central London. We carried out some research on the New River and found out who master-minded it.

We also recorded the main towns and cities that the river flowed

Art

This week in art, we reflected on our work from this topic so far. We also looked at our partners and said what we liked about it.

We then designed our own artwork that we will be creating next week, of an animal print of our choice.

Spellings- to be tested on 14.5.26

Remember you can choose to learn 5, 10 or all 15
