

Homework

Atom Learning – Maths and Science work set

TTRS – garage

RE homework- due Monday 23rd March
Choose a station of the cross and represent it as a collage or painting. Include a reflection about that station. This might include what that station means to you or why you chose that particular one.

Spellings

Reading

Maths

In Maths this week, we continued looking at fractions. We have been comparing and ordering fractions, looking at fractions and scales and putting fractions on a number line.

Any practise at home with fractions would be fantastic- sharing out food at dinner time and seeing how much each person gets, etc.

Star Writer

Hudson

Fantastic Handwriting

Elijah

School Trip

We had a wonderful time on our school trip on Tuesday. The children were all so engaged with the various activities.

First, we explored the Roman Baths and answered many different questions there. Then we had a go at weaving, some Roman games and an archaeological dig.

PSHE

We have been busy with our PSHE learning this week, going outside to complete our fitness challenge we started last week. We also talked about making healthy choices and what these look like in our life. We finished with a brief talk about drugs and how some can be good and some can be bad for you.

Examples for RE home learning

English

This week, we looked at the book 'Alice in Wonderland', focusing on the first chapter, down the rabbit hole. We have worked hard on some writing techniques used to describe and wrote a setting description using fronted adverbials, inverted commas and ellipsis.

In Reciprocal Reading, we started a new book called Bill's New Frock.

Year 3

Spring 2 2026

2.3.26 to 6.3.26

NOTICES:

We had a wonderful time celebrating World Book Day on Thursday. Everyone looked fantastic!

Check out the pictures from our trip on the class page.

In DT, we are making our own pencil cases. If you have any material that you no longer need, or any bits of embellishments that the children can sew onto their pencil cases, please bring them in. Examples are denim, felt, cotton, buttons, sequins or ribbons. This is not mandatory, as we will have bits at school, it is only if the children have bits they would like to add.

Gold book

Luca for being great on our school trip, following instructions and answering lots of our leaders questions.

DT

In DT, we continued with our unit on textiles, looking at pencil cases.

This lesson, some of us practised sewing, using a running stitch or backstitch, while the rest of us designed what our pencil case will look like.

RE

In RE this week, we identified Jesus' actions in the miracle of the loaves and recognised how these actions linked to the Last Supper.

We identified the four main actions Jesus performed- Take, Bless, Break and Give. We then linked the story of feeding the 5000 to the Last Supper.

Next lesson, we revisited the words and actions of Jesus at the Last Supper and described how Jesus showed his love by giving the gift of himself.
