

Homework

Atom Learning – English and Science work set

RE Home Learning – Due 11th February 2026
Write the word PEACEMAKER down the edge of a page and then think of a word or phrase starting with that letter, which relates to being a peacemaker.

Optional Art Homework- Due 12th February
Choose a piece of artwork produced by Paul Klee, Victor Vasarely or Henri Matisse's and recreate it. Include the name of the artwork.

TTRS – 10 minutes - garage

Spellings

Reading

Science

In Science, we continued our topic on Rocks, starting with a quiz, recapping our learning from last week.

We then looked at fossil formation where we watched a video of how a fossil is formed. In table groups, we then came up with a script for a short film to perform to the class. These were brilliant, showing great teamwork to decide who was saying what and when.

English

This week, our book was Escape from Pompeii. We used fronted adverbials, expanded noun phrases, speech and similes in our writing, to prepare us in completing a fantastic Star Write. We have been very busy in English!

In Reciprocal Reading, we continued reading the book The Roman Beanfeast, which links very well to History.

RE

This week in RE, we looked at what the Kingdom of God is and is not, creating a table to come up with scenarios that would help build the Kingdom of God and those that would not. For example, being kind to others and using positive words compared to pushing people and calling them names.

We then delved deeper into this, reflecting on how Jesus teaches the Kingdom and the best behaviours to be showing.

PE

Rugby and Dance

Maths

In Maths this week, we have continued to look at Multiplication and Division. We have been doing lots of dividing this week, looking at flexible partitioning and dividing with remainders. We also looked at scaling and possibilities. On Friday, we completed our times table grid and end of block assessment.

PSHE

We continued our topic on Dreams and Goals, looking at what our dreams and ambitions were. We came up with 6 dreams we have for our life and looked at how we would achieve them.

Year 3

Spring 1 2026

19.01.26 to 23.01.26

Class Book – How to
skin a bear

NOTICES:

PE days – Tuesdays and Thursdays

We have talked a lot about the 'Learning Pit' this week and how we can show real resilience when our work gets tricky, to keep trying and get out of the 'pit'.

Gold book

Karim for trying really hard in maths and showing great mental maths skills. Keep it up Karim.

Star Writer

Alexander for trying really hard today to write a good star write.

Fantastic Handwriting

Olivia for some wonderful handwriting this week.

History

We continued with our unit on the Romans, looking at how they maintained control. We answered the question 'Imagine you are in charge of a tribe, what could you do in response to the Roman's invasion?' Once we decided on our response, we had a debate in the class, to see which the majority would prefer.

Finally, we studied Boudicca and Cartimandua, who both took very different approaches towards the Romans.

Art

We continued with our collage unit, but this week, looking at a different artist, Victor Vasarely.

We used black and white strips of paper to create a collage, overlapping them and sticking them down in different angles. Some of us then researched a little about who he was.
