

Homework

Atom Learning – Maths work set

RE Home Learning – Due 11th February 2026
Write the word PEACEMAKER down the edge of a page and then think of a word or phrase starting with that letter, which relates to being a peacemaker.

Optional Art Homework- Due 12th February
Choose a piece of artwork produced by Paul Klee, Victor Vasarely or Henri Matisse's and recreate it. Include the name of the artwork.

TTRS – 2 sound check games.

Spellings

Reading

Maths

In Maths this week, we have started our unit on length and perimeter. We were measuring in meters, centimetres and millimetres, understanding what the difference was between them all.

We also did a recap on multiplying and dividing, before completing our multiplication grid.

Star Writer

George E for a fantastic poem this week, with well thought out ideas.

Fantastic Handwriting

Sonnie for working hard on making your handwriting better each day. Keep it up!

History

We continued to look at the Romans, focusing on their settlements this week and their significance.

We first watched a tour of what a Roman settlement might have looked like, before doing our own research on aqueducts, baths and amphitheatres.

Finally, we answered the question "how did certain buildings improve the lives of people within Roman settlements?"

Science

In Science, we continued our topic on Rocks, looking at fossils and palaeontology.

We looked at who Mary Anning was and what she did. We then talked about the different layers of sediment and where fossils could be found. We answered questions about the layers, for example, what the layers told us about the fossils, and when that creature was around.

PSHE

We continued our topic on Dreams and Goals, looking at how to break down goals into a number of steps. We also looked at how others could help us achieve our goals.

Year 3

Spring 1 2026

26.01.26 to 30.01.26

Class Book – How to
skin a bear

Art

We continued with our collage unit, but this week, we had a go at drawing lines and shapes on the laptops and iPads, experimenting with the different colours. We used our knowledge of Paul Klee and Victor Vasarely to inspire our work on the paint app.

English

This week, we looked at the book Escape from Pompeii again, however this week we were focusing on poetry. We used personification, alliteration, prepositions and line breaks and verses.

In Reciprocal Reading, we continued reading the book The Roman Beanfeast, which links very well to History.

RE

This week in RE, we looked at the Parable of the Sower. We talked about the different grounds the seeds were dropped on and what Jesus' message was with each one, learning about how people are like seeds in terms of listening to God.

We then compared some of the parables we've looked at, trying to find similarities between the two of what the message was that Jesus was sharing.

NOTICES:

PE days – Tuesdays and Thursdays

Why not practice some measuring at home? Find the shortest object you can and measure it and then find something that is as close to 1 metre as possible.

★ Gold book

Hudson for sharing ideas more in class and working hard in lessons.
Keep it up Hudson!
