

Homework

No home learning this week on Atom or TTRS.

Do practice your spellings if you have time, as we will be using some of these in our English lessons the first week back.

Do keep reading as well.

Science

In Science, we continued our topic on Rocks, looking at soil layers and earthworms.

We learnt what earthworms do, to benefit the soil. We then drew different soils in a jar, showing the process of sedimentation.

Finally, we celebrated Women in Science by creating a mind map about some famous women scientists.

English

This week, we looked at the same book as last week, however this week, we wrote a letter comparing our life to a child in Roman times. We wrote in first person and used lots of time words to compare our life to theirs, for example now, today, in your time, long ago.

In Reciprocal Reading, we continued reading the book *The Roman Beanfeast*.

RE

This week we looked at the 'Our Father' prayer, breaking down each part of the prayer and discussing its meaning.

Our task was then to make a poster explaining the prayer to a younger child. Our posters showed how the Our Father prayer encourages us to build the Kingdom of God in our lives on earth so that it is like heaven for everyone.

We also looked at the Saints who worked hard to build the Kingdom of God and all chose one to focus on. We answered key questions about our Saint for example how they showed God's love and how they changed the world.

PE

Rugby and Dance

Maths

In Maths this week, we finished our unit looking at length and perimeter, completing the end of unit assessment to check how much we have learnt this topic.

We learnt about what perimeter is, how to measure it and how to calculate it, before completing our assessment.

PSHE

We built on from our lesson looking at Safe and healthy gardens, to creating a community garden of dreams and goals. We thought about who could be in our garden.

Year 3

Spring 1 2026

9.2.26 to 13.2.26

*Class Book – How to
skin a bear*

NOTICES:

PE days – Tuesdays and Thursdays

Well done for all the incredible RE home learning. I am looking forward to getting it up in the classroom.

We are going to greatly miss Oakley, but wish him all the best in his new school.

I hope you all have a wonderful half term break. See you next half term!

Gold book

Ian for working hard all year, sharing ideas with the class and working collaboratively with his peers.

Star Writer

Lily H for working really hard this week in English and producing a great star write.

Fantastic Handwriting

Glory for doing some great handwriting this week. Keep it up!

History

We finished off our unit on the Romans this week, focusing on understanding the end of Roman Britain. We looked at reasons why they left and what happened after they left, sorting statements into the correct category.

We recapped some of the key dates in relation to the Romans, and then some of us moved onto an extension of writing an account about the raids on Britain beginning with the Sea Forts.

Art

We finished our collage unit this week, working in a group to create a final piece, based on all the artists we have looked at this unit.

We used different lines, shapes, colours and materials to create an incredible piece of work.

Spellings- to be tested on 26.2.26

Remember you can choose to learn 5, 10 or all 15

misbehave
mislead
misspell
misjudge
misfortune
misinform
mistake
mistreat
misuse
misplace
