

Homework

Atom Learning –
English and Science activity.

TTRS – 10 minutes - studio

Spellings

Reading and logging on Boom
Reader

Maths

In Maths this week, we have been finishing off our learning on addition and subtraction. We learnt about complements to 100, estimating, inverse operations and making decisions. Today we then completed the end of block assessment which went very well.

Star Writer

Florence for a fantastically written star write this week.

Fantastic Handwriting

Karim for trying so hard with your handwriting. Keep working hard, and you might get your pen license soon!

Science

In Science, we have started a new unit, looking at Forces and magnets.

Our first lesson was learning about contact forces and how to draw and label a force diagram. We looked at different actions like closing a door or opening a jar, and drew an arrow to show which way the force was going to complete that action.

PSHE/RSE

This week, we have been learning about how everybody's family is different and important.

We talked about what a family is and then drew a picture of our own families.

Geography

We have been learning about locating the East Anglia region in the United Kingdom. We have started to use and read maps and atlases.

DT

We have started a new topic looking at Mechanical Systems. This week, we investigated a variety of familiar objects that use air to make them work.

English

This week, we have looked at Autumn Poetry, basing our Star Write off the poem 'The Magic Box' by Kit Wright. We used powerful verbs and figurative language in our patterned poems.

We have also been reading the book 'A hundred mile an hour dog' by Jeremy Strong in our Reciprocal Reading time.

Year 3 Autumn 2 2025

3.11.25 – 7.11.25

Class Book – How to
skin a bear

NOTICES:

PE days – Tuesdays and Thursdays

I hope you all had a wonderful half term. It's good to be back and to kick start our learning for this half term.

Don't forget to wear Odd Socks on Monday for Anti-bullying week.

Gold book

Luca for working really hard in maths and phonics and for trying your best. Keep up the good work!
