

Homework

Atom Learning –
Maths activity

TTRS – No specific session this week, just
practise your 2, 5 and 10 times tables.

Spellings

Reading and logging on Boom Reader

Maths

In Maths this week, we have
started Block 3, Multiplication and
division. We have been looking at
equal groups, using this to support
our multiplying. We have also
looked at arrays, before moving on
to recap our multiples of 2, 5 and
10.

Star Writer

Elijah for working really hard on
your writing this week, including
lots of speech in your star write.

Fantastic Handwriting

Massimo for some fantastic
handwriting in every lesson this
week.

Science Forces and Magnets

This week in science, we looked at
friction. We explored the effects of
forces and learnt how to write a
scientific conclusion using
supporting evidence.

Our experiment was using two
different types of bottle tops- one
covered in sand paper and one
without and we answered the
question 'Does the roughness of a
surface affect the amount of friction
produced?'

PSHE/RSE

The children have been learning
about "Respect" in anti-bullying
week. We did a range of activities,
teaching us to be kind to each other.

Geography

We have continued our learning on
East Anglia, recapping where it is in
the UK, before moving on to look at
the physical features of East Anglia.

We completed a worksheet, labelling
different physical features found in
East Anglia.

Year 3

Autumn 2 2025

10.11.25 to 14.11.25

*Class Book – How to
skin a bear*

DT

This week, we carried out an
experiment, using a syringe, straw
and balloon. We then explained how
the pneumatic system worked.

English

This week in English, We have
looked at short film called "For the
birds" and created our own written
dialogues using speech marks and
different punctuation marks.

We have continued to read the book
'A hundred mile an hour dog' by
Jeremy Strong in Reciprocal Reading
and have been asking lots of
questions about the book.

Spellings- to be tested on 20.11.25

*Remember you can choose to learn 5, 10 or
all 15*

RE

In RE this week, we have been
looking at what Mass is and why
Catholics go to Mass. We looked at a
book called 'The Weight of the Mass'
to support our understanding.

We also learned that the Church
teaches that Sunday is the day of
the Resurrection of Jesus. We created
a Mass Invitation card explaining
why someone might want to come
to Mass.

NOTICES:

PE days – Tuesdays and Thursdays

We had a great Anti-bullying week
this week, doing some fun activities
in our PSHE to celebrate.

On Friday, we also celebrated
Children in Need and joined in with
a Joe Wicks workout.

On Wednesday 19th November, we
are going to Mass. Please feel free to
join us at 9:15am.

Gold book

George S for working so hard in
lessons, particularly English where
you have completed some fantastic
writing.
