Reading and logging on Boom Reader

Maths

In Maths this week, we have continued to explore multiplication and division. We finished off the 3 times table and then moved on to look at multiplying and dividing by 4.

Star Writer

Lily S for including all the skills we have looked at this week in your writing. Well done Lily.

Fantastic Handwriting

Florence for doing some lovely handwriting in every lesson. Well done Florence.

PSHE/RSE

We looked at witness and feelings today, following on from our learning on anti-bullying week. We all drew around our hands and wrote two things we could do to support others who are feeling down.

Geography

This week had been Parliament Week so we learned about the Parliament and their roles. We wrote a persuasive paragraph about an issue that is important to us and thought about what the Parliament could do about it.

Science Forces and Magnets

This week we started to look at magnets. We carried out an experiment, finding out what objects were magnetic and which were not. We grouped the items to see if there were any similarities between magnetic items and non-magnetic items.

We found out that not all metal objects are magnetic.

Year 3

Autumn 2 2025

24.11.25 to 28.11.25

Class Book – How to skin
a bear

PE

Fundamentals and Ball Skills

English

Our book this week was called 'The diary of the killer cat' by Anne Fine. We explored the features of a diary entry and wrote sentences using prefixes, the past tense and adverbials of time and place.

We have been reading the book 'The 100 mile an hour dog' by Jeremy Strong.

Spellings- to be tested on 4.12.25

weigh
weight
eight
eighth
neighbour
they
obey
prey
grey
disobey

RE and Science words

Joseph
Angel
Homily
North
South

RE

We started by looking at a few different bible verses and annotated how God spoke through the verses.

The next lesson we drew an image of Joseph's dream when angel Gabriel came and spoke to him and about Mary having the son of God.

NOTICES:

PE days – Tuesdays and Thursdays

In DT, we will be making moving monsters. Please can you bring in any small bits of recycled materials for example small cardboard boxes or egg boxes please, that we can use for our creations. (Nothing that's had nuts in please).

Thank you to all the parents that helped out today in all the activities; we couldn't have done it without you.

Decorate the Classroom Day

We had a great time decorating our classroom today and getting into the Christmas spirit.

The paper chain was a big hit in the afternoon!

Gold book

Elijah for a fantastic piece of writing this week in English, using your imagination to write a great diary.
