TTRS – Log on and complete the task set. You will have to complete the task before you can continue free playing.

Spellings

Reading and logging on Boom Reader

Science

This week we have looked at muscles and movement. We discussed where to find different muscles in the body and what the different muscles did.

We then made a model of our hand and talked about the different joints within our hand.

English

We have been reading the book 'How to wash a woolly mammoth' and have written some instructions on how to do this. The skills we have looked at are rhetorical questions, using colon and bullet points and imperative verbs.

RE

This week we continued to look at Genesis 1 and how God created all human beings. We all drew a self-portrait of ourselves, showing what gifts God gave us.

We also had a go at connecting words, and showing how they link. For example, how 'all equally special' relates to 'differences' or how 'made by God' links to 'including others'.

Art

We had a go at shading light, medium and dark tones this week in Art.

We took our pencil on a walk on the page, and then shaded in the different sections.

PE

Swimming

Maths

In Maths this week, we have looked at numbers up to 1,000. We first looked at these on a number line, estimating what number was missing. We then moved on to comparing and ordering numbers to 1,000.

PSHE/RSE

We discussed our dream school today and what this would look like. We made a list of everything we would want in our dream school and wrote about how we can make our school a dream school.

Year 3

Autumn 1 2025

22.9.25 to 26.9.25

NOTICES:

Please can you all bring in one piece of food packaging, for us to look at the nutritional values in our Science lesson next week. Please avoid anything that has nuts in and make sure the packet is clean before sending it in. Thank you.

Gold book

Elis for working really hard in every maths lesson this week and trying your best. Well done Elis.

Star Writer

26.9.25- Ian for a fantastic set of instructions for your Star Write this week. Well done!

Fantastic Handwriting

26.9.25- Alana for some lovely handwriting in your books. Well done!

History

We further explored The Stone Age this week, comparing the lives of people living in the different periods of The Stone Age.

We wrote a short report on how the lives of people were different.

Spellings- to be tested on 2.10.25

(Remember you can choose to learn 5, 10 or all 15)

Homophones and near homophones

1. bury
2. berry
3. fair
4. fare
5. missed
6. mist
7. piece
8. peace
9. groan
10. grown

RE and Science words

11. Scripture
12. Genesis
13. muscle
14. contract
15. relax
