

Homework

RE Home Learning – Due Wednesday
22nd October
Tell the Creation story through stained
glass window/s. Create one or multiple.
Have fun!

English and Science activity on Atom
Learning –
<https://app.atomlearning.com/public/>

TTRS – Gig challenge

Spellings- 5, 10 or 15 spellings

Science

We have continued our topic on
movement and nutrition, and this
week, looked specifically at 'eating for
survival'. We looked at food packaging
and talked about which food items
were better for us.

English

We have been reading the book
'Avocado Baby'. We have written a
retell using adverbs, fronted adverbials
of time and expanded noun phrases.

We have also celebrated National
Poetry Day, where we attended an
online workshop and drew our own
dinosaur/everyday object picture.

RE

This week we have learnt about the
letter Pope Francis wrote, the Laudato
Si', which teaches us how to look
after God's creation. We looked at
how we have been called to love God,
each other and Creation, and what
this looks like in our everyday life.

We also looked at what stewardship
means and wrote a letter to Pope Leo,
describing how we can be good
stewards of Creation.

Art

This week in Art we celebrated Saint
Francis of Assisi and painted stones with
animals on, to add to our playground. We
also made an animal out of salt dough.

PE

Swimming

Maths

In Maths this week, we completed an
end of block assessment to check our
knowledge and understanding on
place value. We then moved on to
looking at addition and subtraction,
linking this knowledge to place value
and what we learned previously.

PSHE/RSE

Our topic this week was on rewards
and consequences. We discussed how
our actions can affect ourselves and
others and how our behaviour brings
rewards and consequences.

Year 3

Autumn 1 2025

29.9.25 to 3.10.25

*Class Book –Lots of
poems and 'Here we Are'*

NOTICES:

We are going to Mass on the 8th October at 9:15,
instead of the 15th October. Parents are welcome to
join us.

Thank you very much to everyone that brought in
some packaging for our Science lesson. It was
great to look at all the nutritional values of
different food items and talk about what this
means for our body.

Spellings – Please do encourage your child to look
at the spellings, so that they are familiar with
them before the spellings test on Thursday.

Gold book

Olivia for working so hard on your
handwriting and spellings. You can
now write in pen. Well done Olivia.
Keep up the good work!

Star Writer

3.10.25- Alex Michaels for a
great star write this week,
including all the key skills.

Fantastic Handwriting

3.10.25- Owen for some lovely
handwriting this week.

History

We have focused on the Mesolithic
and Neolithic periods this week,
going into more detail about the
lives during these times, and looking
at how lifestyles changed as
permanent settlements evolved.

We did our own research on laptops
and iPads, finding out more about
these times.

Spellings- to be tested on 9.10.25

*(Remember you can choose to learn 5,
10 or all 15)*

*Creating adverbs using the
suffix -ly (no change to root
word)*
