

Homework

RE Home Learning – Due Wednesday
22nd October
Tell the Creation story through stained
glass window/s. Create one or multiple.
Have fun!

Maths activity on Atom Learning –
<https://app.atomlearning.com/public/>

TTRS – Garage 10

Spellings

Reading and recording on Boom Reader

Maths

In Maths this week, we have
continued with addition and
subtraction, first consolidating our
work on adding and subtracting 1s,
10s and 100s and then moving on to
adding these across each other, for
example adding 10s across a 100.

PSHE/RSE

This week, we celebrated World
Mental Health Day. We talked about
what mental health is and how we
can look after our mental health. We
discussed who we can talk to if we
need support. Finally we finished by
doing some fun activities to improve
our mental health and wellbeing.

Star Writer

Massimo- For some doing
fantastic writing in your star
write this week.

Fantastic Handwriting

Ranveer- For working so hard
on your handwriting and
joining all your letters well.

Science

We have continued learning about
movement and nutrition, with this
week focusing on the nutrient groups.

We moved around the room, doing our
research on what the different food
groups provide for our bodies.

English

This week in English we have looked at
the book 'The Secrets of Stonehenge'.
We wrote a story about us going on a
trip to Stonehenge, including lots of
facts from our non-fiction book, as
well as adjectives and adverbs.

We also answered some questions on
our book Flat Stanley in Reciprocal
Reading.

RE

We looked at Psalms 8 and 19
this week in RE, annotating
Psalm 8 with what words it
says about Creation and then
how it praises Creation.

Art

We have continued to work on our
sketching skills and have drawn from
our imagination this week, exploring
ideas using a story as a starting point.

PE

Swimming

Year 3 Autumn 1 2025

6.10.25 to 10.10.25

NOTICES:

Thank you if you came to Mass with us
on Wednesday. It was lovely to have
you with us.

Thank you if you came to look at your
child's books yesterday. It was great for
you to see the work they've been up to
so far in Year 3.

If you can please do some quick fire
questions with your child on number
bonds to 10 and 20 that will really help
in maths lessons. For example, 5+5, 6+4,
13+7 and 12+8.

Gold book

Florence for always being on task
and helping others when they need
help.

History

We all answered the question,
whether we would prefer to live as
a hunter-gatherer or a Neolithic
farmer.

We then moved on to look at the
Bronze Age, focusing on the
introduction of metal.

Spellings- to be tested on 16.10.25

*(Remember you can choose to learn 5,
10 or all 15)*
