TTRS – Garage 10

Spellings

Reading and logging on Boom Reader

Maths

In Maths this week, we continued with addition and subtraction. We started with making connections using our previous learning. We then focused on adding and subtracting two numbers with no exchange, before moving on to adding two numbers across a 10.

PSHE/RSE

This week, we looked at our learning charter, and then wrote a letter to a pretend child that is joining our class, thinking about how we would make them feel welcomed and part of the class.

Star Writer

Alana for a very detailed, well written Star write. Well done Alana.

Fantastic Handwriting

Jack for consistently doing some lovely handwriting, working on your letter formation and size.

Science

This week we focused on balanced diet. We built on from our learning last week, where we looked at the seven nutrient groups.

We created our own balanced and unbalanced meal, naming the nutrient groups present in each meal. Our partner then had to work out which meal was which.

English

We have been reading the book 'Stone Age Boy' by Satoshi Kitamura. We have begun to retell this story using fronted adverbials of time/manner, paragraphs and expanded noun phrases.

RE

This week we first looked at Saint Francis' Canticle of Creation. We read it, annotated it and then chose a stanza to draw a picture and write about.

We then looked at the holy day and why God gave us this holy day. This linked to our learning on Creation where God created the world in six days and then rested on the seventh.

Art

This week in Art, we selected and developed part of an image. We used a viewfinder to choose a section of a patterned picture and then drew our own version of it in our books.

PE

Swimming

Year 3

Autumn 1 2025

13.10.25 to 17.10.25

Class Book – Meerkat Mail

NOTICES:

It was lovely to see lots of you on Tuesday at parents evening. Thank you for taking the time out to meet with me.

We have Come and Read on Thursday 23rd October at 2:45pm. Please do some and share a book with your child.

On Thursday in Art, the children are developing an image of their choice. If there is a particular image your child loves, maybe a picture of them at a particular beach or holiday, then bring that in. If not, we will have images at school, so don't worry.

Gold book

Edith-Jean for doing some fantastic learning this week, particularly in English where you have tried really hard.

History

This week, we paused our learning on Iron Age, and instead celebrated Black History Month. We discussed why we celebrate it every year, and looked at some famous Black people that changed history.

We then created a poster to show off all of our knowledge.

Spellings- to be tested on 23.10.25

(Remember you can choose to learn 5, 10 or all 15)
