Spellings

Reading and logging on Boom reader

Maths

In Maths this week, we continued with addition and subtraction, looking at adding and subtracting numbers across a 10 and 100.

We then started adding and subtracting 2 digit and 3 digit numbers.

Star Writer

Isabella and Leo for a fantastic star write, including all the skills and star words.

Fantastic Handwriting

George E for trying really hard this week with your handwriting.

Science

This week, we had a recap lesson, looking back at everything we'd learned in the unit movement and nutrition.

We completed a quiz to check our understanding and made a poster showing off everything we had learned.

PSHE/RSE

This week we completed an RSE lesson on a Community of love.

We started by talking about how we are made in God's image and then moved onto learning about the Holy Trinity.

We then made a list with words describing what God was like.

History

This week we moved through time to the Iron Age. We looked at the tools they used and completed our own independent research to find out whether iron was better to use than bronze.

We also looked at hill forts, and learnt why they made them and what they were good for.

English

We have continued to look at the book 'Stone Age Boy' by Satoshi Kitamura.

We have completed a diary entry, using fronted adverbials of place, paragraphs, similes and adjectives and subordinating conjunctions.

Year 3

Autumn 1 2025

20.10.25 to 24.10.25

RE

This week we looked at the Offertory Prayer, learning what an Offertory prayer was and then looking at some examples.

After we looked at some offertory prayers, we then wrote our own one, thanking God for the gifts and talents he gave us and praying that he continues to be with us.

Art

This week we developed our work from last week. We used a viewfinder again, to select a small part of a bigger picture, and then developed around that part. This allowed us to focus on the lines and shapes in that section, before moving onto the rest of the picture.

NOTICES:

Next half term, PE days will be Tuesdays and Thursdays. Please remember to come in your PE kit on these days.

Thank you for sending in all your amazing RE home learning. They are all amazing!

I hope you all have a well-deserved rest over half term.

Gold book

Alex for always working very hard and starting to put your hand up more in lessons to share an answer.
