

English - The Very Hungry Caterpillar

This week we wrote the diary based on the book, The Very Hungry Caterpillar. We practised writing the days of the week and numerals as words. We also used many different adjectives and tried to extend our vocabulary by thinking of different words for hungry!

Star Write 17.04.26

Star Writer - Divine Am
Handwriting Hero - Luisa
Capital Letter Hero - Mireya and Lottie

Maths -Place Value 20-50

Last week our focus was length and height. We looked at objects and how we can measure them using objects or cm. We learned that some things are taller than others are and some are longer.

This week we are learning about mass. We are using balancing scales to tell which item is heavier. We have started to look at volume and capacity.

Please complete Maths homework using Anton.app.

Spellings (for 30th April)

Children can choose to learn 5 or 10 spellings.

5 spellings	Additional 5 spellings
lie	cried
both	tie
over	home
like	note
were	one

Phonics

At the moment we are reviewing sounds to prepare for the phonics screening in June. Please practise these with your children at home.

Please return reading books promptly.

If your child has not brought a new reading book home recently, we are waiting for a book to be returned. Please do speak to Mrs Stewart if you have searched and still cannot find it or do not know which book to look for.

RE - To the Ends of the Earth

We thought about Jesus's life as a whole, and drew a comic strip of the key events. We then discussed how the Apostles might have felt and what they might have wondered upon hearing about Jesus' resurrection.

RE Homework

In celebration of the year of St Francis of Assisi, we would like you to take part in a scavenger hunt. See next page for details. Please share photos of you taking part!

Year One

St. Bernadette of Lourdes

Art

We started our new unit of printing. We explored making prints with different objects such as straws, corrugated cardboard and playdoh lids and jars, and sponges.

PE - Athletics

We continued our Athletics unit by practising balancing in a variety of ways as we move.

Science - Plants

We started our new topic by planting broad beans seeds in a see through cup with a paper towel. We will observe what happens over the coming weeks.

History

This week, we learned about Edith Cavell.

Gold Book:

17.04.26

Lottie

For shining bright in her reading last week.

24.04.26

Mireya

For being kind and helpful in class and enthusiastic in her learning.

Class book share:

Thank you to Lottie for sharing her favourite book, There's no such thing as a Snappenpoop! Next week's book share: Mireya

NATURE SCAVENGER HUNT

See how many fallen treasures you can find on the list below. Remember not to pick or collect anything living!

- A nibbled pine cone
- Something soft
- Different shades of green
- Something that has a nice scent
- A pretty petal
- Something the size of your little finger nail
- A golden leaf
- Something that makes a noise
- A teeny tiny twig
- Something shiny
- Something that has never been alive
- Something that could be a fairy's hat
- A seed
- Something small and beautiful
- Something multi-coloured
- Three different shaped leaves
- Something round

What can you feel?

Help little hands learn through touch.

**Furry
catkins**

**Crunchy
twigs**

**Spongy
moss**

**Bumpy
pine cone**

**Tickly
feather**

**Smooth
stones**

**Rough
bark**

**Touchy
feely**

Run different textures along little hands and arms, and let older children hold items themselves.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
