RE - Creation and Covenant

This week we continue to look at creation. We looked at different pictures of our planet, and how humans are forgetting to look after it for example, rubbish floating in the sea. Children came up with lots of ideas of how we can look after our shared home and making it a lovely place.

To end our topic, we created a special class liturgy to celebrate God and our world.

Computing

Today we learned about the different parts of a computer. We then practised our clicking and dragging skills in the computer suite.

Math

We have been working on finding the number bonds of numbers within 10. We progressed to finding these systematically.

$$0 + 6 = 6$$

$$1 + 5 = 6$$

$$2 + 4 = 6$$

$$3 + 3 = 6$$

$$4 + 2 = 6$$

$$5 + 1 = 6$$

$$6 + 0 = 6$$

We also started to subtract this week.

There will be no spellings or maths homework set over half term. Please do continue to listen to your children read, share books with your children and to read aloud to your children.

Phonics and reading

We have reviewed our learning from this half term. Phonics and Reading has also been assessed this week.

Science - Seasons

We finished our Seasons topic with an end of unit quiz. The children wrote about what they have learned and what they have enjoyed.

History

This week we celebrated Black History Month.

PE

We explored the speed stackers. We also practised using skipping ropes. The children enjoyed taking part in the house cross-country competition and earning points for their house.

PSHE

We reviewed our learning charter and responsibilities.
