Handwriting Hero: *Zach*

Maths

We learned that + means plus and = means is equal to or the same as. We practised making addition fact families:

$$2 + 3 = 5$$

$$3 + 2 = 5$$

$$5 = 2 + 3$$

$$5 = 3 + 2$$

Phonics and reading

We practised our new GPCs:

ou (/ow/ as in cloud)

ay (/ai/ as in play)

oy (/oi/ as in boy)

ea (/ee/ as in read)

RE - Covenant and Creation

We focused on thanking God for our wonderful world and sharing how we are going to take care of it. The children wrote beautiful letters to God explaining how they would help. We also said sorry to God for any times we did not take care of his world.

Art - Collage

We created a collage of our first initial using contrasting materials, including dull brown paper and tin foil.

PSHE

We talked about what it feels like when we face a consequence.

PE

We practised kicking and dodging.

Reading

Please remember to read daily with your child and log this on Boom Reader.

Year One

St. Bernadette of Lourdes

Science - Seasons

We put all our learning about the seasons into practise. We chose a season and created a weather map of the UK for that season. Then we took turns filming our friends deliver the weather forecast.

We have some budding weather reporters in the class!

History

This week we went on their trip to Hertford Museum. We had the opportunity to explore old toys and learn about the different materials they were made of.

The children had a lovely time and staff attending the trip were extremely proud of Year 1. Pictures have been added to the website.

Gold Book:

Lenni

For her fantastic letter collage. Lenni really listened to what she had to do.
