

English - The Big Book of Beasts

This week we tried to write our first non-chronological report. It was all about Warthogs. We wrote about their tusks, their warts, their habitat and what they eat.

Star Write 13.03.26

Star Writer - *Nancie*
Handwriting Hero - *Divine*

Maths -Place Value 20-50

We are learning how we can partition numbers up to 50 into tens and ones. So that, e.g. 46 is made up of 4 tens and 6 ones. So 46 is the whole, 40 is a part and 6 is a part.

++++++

Maths homework is now available on the [Anton.app](#). It is very simple to use. Please note that homework is set for one week only and the week runs from Sunday to Saturday as this is what the app allows.

Spellings (for Spelling Quiz on 26th March)

Children can choose 5 or 10 spellings.

learn	early
write	wrap
castle	listen
because	through
healthy	Holy

Phonics - New GPCs.

ear (/ur/ as in learn)

wr (/r/ as in wrong)

sc, st (/s/ as in science or castle)

Please return reading books promptly.

RE- Other faiths week Judaism

This week we started to learn about Judaism. We learned about Abraham and his wife Sarah and we learned all about Moses leading his people to safety through the Red Sea. We talked about what qualities Moses had that made him a great leader. Finally, we took part in a fantastic workshop and learned all about Shabbat.

Year One

St. Bernadette of Lourdes

PSHE

In PSHE this week, we continued learning about the things we can do to stay healthy, such as get lots of sleep, eat a balanced diet, exercise and drink water.

DI

This week we designed our fruit smoothie. Next week we will be making and tasting our smoothie.

PE - Net and Wall games

This week we practised more skills using a tennis racquet and a tennis ball, including using the racquet to bounce and catch the ball.

Gold Book:

Elsie

Elsie has participated well and put in so much effort this week. It has been an absolute pleasure to teach her in Year 1.

Geography - Our school grounds

We learned what a birds-eye view is and we looked at the meaning of different map symbols.

Science

This week we had the fantastic experience of taking part in a fossil workshop. The children had lots of fun!

Goodbye

It is with sadness that we say goodbye to one of the kindness children in our class, Elsie. It is truly sad to say goodbye to one of our Year One family. We wish you and your family all the very best, Elsie.

Next week's book share:

Mrs Stewart

Easter Garden

Due Monday 13th April

For RE homework this half term, please make a homemade Easter (or Resurrection) garden. This is a meaningful, simple, and low-cost craft using a shallow pot, potting soil, small sticks, moss, and a small flower pot for the tomb. Alternatively, you can create your Easter garden in a shoe box using paper and card.

Key elements to include:

- The Tomb - bury a small terracotta pot or container on its side, leaving the opening exposed. Cover with soil to form a hill.
- Crosses - sticks secured together with string or twine.
- The Stone - a large stone placed in front of the tomb.
- Decoration - cover with moss, grass, small plants (e.g. pansies) or pebbles.
