

English - What Happened to You? by James Catchpole

This week we read a beautiful book about a boy with one leg. The children focused on asking questions in their writing, remembering a question mark.

Star Write 06.02.26

Star Writer - Albie
Handwriting Hero - Jude and Lottie-Rose

Maths - Place Value within 20

We have been focusing on subtraction. We practised using number bonds and the counting back using a number line method. Please practise doubles to 10 and number bonds for all numbers up to 10

Spellings

Please note no spellings over half term.

Phonics

We have been recapping on all GPCs learned so far as well as all our tricky words. I have put all the tricky words that children are learning this year on the class pages so you can practise at home if you wish.

Children should have come home with a new reading book this week. Please remember to read with your child over half term. As well as listening to them read, it is also a fantastic idea to read to your child every day. Not only can you enjoy stories that are more complex together but also it exposes them to more advanced vocabulary, story writing devices and the phrasing and prosody of an experienced reader.

RE - Galilee to Jerusalem

We heard about Jesus's encounter with the tax collector, Zacchaeus. We thought about how the meeting changed Zacchaeus for the better. We decorated our own candles for Candlemas and held a procession around the school.

Year One

St. Bernadette of Lourdes

Safer Internet Day

We learned about Voice Assistants such as Alexa and Siri. We talked about how to use these in a safe, fun or helpful way. We also discussed the kinds of uses that are potentially unsafe or unhelpful.

Science - British Women in Science Week

We were lucky enough to take part in a VR Science workshop this week. We looked at the world of Wild Animals. We also learned about Mary Anning and created our own dinosaur fossils!

Gold Book:

Albie

Not only has Albie achieved some fantastic writing this week, he has also shared his thoughts brilliantly in Maths. Well done, Albie!

History - Communication

We continued to explore how the internet has changed our lives.

PSHE

For Children's Mental Health Week we took part in a fantastic Dance workshop and a Juice and Talk session with Year 4. We also made our own dreamcatchers and created our own Island called 'This is my Place'. A big thank you to our parent helpers.

Courage award

Aria, Luisa, Lenni

Happy half term! We hope you have a great break ☺

Well done to Blossom, Lenni, Divine Am, Esra, Albie and Lottie who read our class prayer so beautifully in celebration assembly. Well done to Divine Am who won the KSI award for kindness. Divine is fantastic at offering comfort to those who need it.

Class book share: This week, Mireya shared her favourite book, Best Present Ever. Next week's book share (after half term): Albie
