RE - Galilee to Jerusalem

We heard about Jesus speaking at Lake Galilee. The fishermen were tired and had not caught any fish. Jesus told them to put their nets into the water and when they checked they were full of fish!

The fishermen then left everything behind to follow Jesus. We wondered how the fishermen might have felt and what made them follow Jesus.

Science - Sensitive bodies

We used our noses to guess different smells in the classroom such as mustard, lavender, curry powder, banana and toothpaste! We also wore blindfolds and allowed our friends to guide us around the classroom to experience what it might be like to have a visually impairment.

PSHE

We discussed how we can overcome obstacles and encourage others.

Maths - Place Value within 20

We have been using number bonds within 10 to work out number bonds within 20. E.g., if we know $4 + 5 = 9$ and $5 + 4 = 9$ we also know that $14 + 5 = 19$ and $15 + 4 = 19$.

We have started work on doubles to 20 and we will be using near doubles next week. E.g. if we know that $6 + 6 = 12$, we can use that to help us with $6 + 7$. Please practise doubles up to double 10 as much as possible at home (while playing, eating, driving,

Spellings

We may not have time for a quiz next week but please practise all the same :)

Children may choose to learn the first 5 or all 10 spellings.

PE

The children showed courage again climbing and balancing on agility tables and benches. This time we also tried to do our different shapes on the benches and tables.

History - Communication

We started to look at how the world wide web and the internet have developed and changed our lives within living memory.

Art - Drawing

We practised drawing different textures, using the story Hairy Maclary to help us.

Gold Book:
