

English - Shark in the Dark Setting Description

We wrote a description of a park. We used adjectives, prepositional phrases and exclamation marks. We even used the word 'and' to join two sentences.

Star Write 23.01.26

Star Writer - *Isa*
Handwriting Hero - *Grace*

Maths - Place Value within 20

We have been comparing and ordering numbers within 20, working out which numbers are greater than, less than or equal to each other. You can practise this whenever you can with different amounts of objects, counters, pasta, peas, etc! Next, we are starting working on addition and subtraction within

Spellings

(for Thursday 5th February)

Children may choose to learn the first 5 or all 10 spellings.

5 spellings	Additional 5 spellings
touch key dance cheese won	noise horse monkey through friend

Phonics

We learned these new GPCs:

o-e making /u/ as in some
o making /u/ as in son
ou making /u/ as in young
se making /z/ as in cheese
se making /s/ as in horse
ce making /s/ as in fence
ey making /ee/ as in donkey

RE- Galilee to Jerusalem

This week we learned about how Jesus had a mission. We thought about Jesus as God's good news that how we as Christians can tell people about God's love.

RE Homework

CST Solidarity and peace

(due in 9 February)

Create a pinwheel for peace and decorate with symbols of peace. We will put our pinwheels in the peace garden to spread peace in the wind.

Year One

St. Bernadette of Lourdes

PE

The children showed courage climbing and balancing on agility tables and benches.

History- Communication

We looked at how telephones have changed since 1876.

Science - Sensitive bodies

We used our hearing to identify different sounds. We also investigated what happens to sound as you get further away.

PSHE

In PSHE we learned about how to work well with a partner. We practised working with a partner by finding a common goal and completing a picture about it together. We learned how to use our words to express differences.

Gold Book:

Esra

For using fantastic sentence starters in her setting description this week.

Have a lovely weekend!

Art - Drawing

We practised making a controlled drawing. We placed objects on tables and practised making the shapes that we see in the air and on paper using our observation and mark-making skills.

Optional Art Homework

(due in w/c 9 February)

Gather some natural or household objects. Can you make a controlled drawing of the objects? Look at the shapes. Use your finger to copy the shapes in the air. Then do the same with a crayon or pencil on some paper.

Class book share: This week, Joy shared her favourite book, xxxxxx
Next week's book share: Esra
