

Let's go on a scavenger hunt!

Egg boxes make great treasure chests.

Like this? Make your own with this blank grid:

Use an egg box to collect finds on your scavenger hunt.

First, decorate the box. Next, cut out the texture grid and stick it to the lid.

Now you're ready to head out and find all the items!

Cut around the dotted lines and stick the grid to your box

Challenge your family and friends and see who can track down the most treasure!

Feel free to copy and share this for personal and educational use - and don't forget there are loads more brilliant activities to download on our website!
