

English

In English this week, the children produced some fantastic persuasive adverts all about The Paris Basin. They skilfully used 'rule of three' phrases, began sentences with adverbs of manner and incorporated interesting facts from their own research.

Maths

This week in Maths, we continued exploring fractions. The children compared and matched equivalent fractions, investigated fraction families, and practised adding 2 or more fractions together, converting the improper fraction to a mixed number.

RE

In RE, the children explored the Parable of the Lost Son in greater depth. They identified moments of compassion, mercy and forgiveness and reflected on the feelings experienced by characters. They also discussed the importance of forgiveness and God's unconditional love, similar to that of the father in the Scripture.

Year 4

Spring 2 2026

Week 4

Judaism Workshop

On Thursday, the children enjoyed a special Judaism assembly, learning about key traditions and beliefs within the Jewish faith. Afterwards, they took part in an engaging, hands-on workshop all about the Torah. They explored real Hebrew letters, tried on Jewish clothing and decorated their own mezuzah cases – small decorative holders used in Jewish homes to contain a tiny Torah scroll.

Easter Stations

We are very excited to welcome you to our Easter play on **Tuesday 24th March.**

A letter has already been sent home with details about clothing, and tickets were given out on Monday.

Please take some time this weekend to help your child practice their lines so they are confident and performance-ready. We can't wait to share their hard work with you!
