

English

This week, our English lessons were inspired by British Science Week. The children have been learning how to write clear and informative explanation texts all about **how we hear**.

They began by generating questions to use as subheadings, before carrying out independent research to find facts and scientific vocabulary. The children then used this information to write their final explanations, showing fantastic curiosity and organisation for the reader.

✍ **Handwriting Hero** ✍ – **Rosie**

Maths

This week in Maths, we continued our work on fractions, focusing on converting mixed numbers to improper fractions and equivalent fractions. We are also continuing to develop quick recall of times tables using TTRS.

RE

In RE, we began our new topic, *Desert to Garden*. The children explored the Parable of the Lost Son (Luke 15:11-32), creating story maps to retell key events. We then discussed the deeper meaning of the parable, making links between the father's actions and God's everlasting love, forgiveness and welcome for each of us.

Year 4 **Spring 2 2026**

Week 3

Spellings

To be tested
Thursday 19th March

musician
politician
electrician
magician
mathematician
dietician
statistician
technician
clinician
beautician
country
cities
landscape
climate
tourism

British Science Week

We have had a brilliant week celebrating British Science Week!

Monday – launch assembly introducing this year's theme – *Curiosity – what's your question?*

Tuesday – explored where our food comes from, farming, production and the journey it takes before reaching our plates,

Wednesday – researched how far our favourite foods travel, discussing the impact on the environment,

Thursday – children created presentations answering our big question: ***What would happen if there were no scientists?***

Friday – finished with an amazing Medical Mavericks workshop where children got hands-on with medical equipment and discovered fascinating careers in the world of healthcare!

Thank You

A huge thank you to all the wonderful women who joined us for our Mother's Day Tea today!

Wishing you all a very happy Mother's Day – God bless you for the love, care & guidance you provide each day! ♥
