

English

In English, we have been reading George's Marvellous Medicine by Roald Dahl.

The children retold the chapter 'Grandma Gets the Medicine', using apostrophes for possession and dialogue with the reported clause at the beginning and end.

Star Writer – Freddie B
Handwriting Hero – Ryan

Maths

This week in Maths, we began a new topic of Multiplication and Division, this time looking at factor pairs and multiplying by 10 and 100.

Catholic Social Teaching

This half term, our Catholic Social Teaching focus was Solidarity and Peace.

The children created wonderful posters with symbols for Solidarity and Peace, as well as learning about organisations around the world working towards solidarity, like Fairtrade and Cafod.

They used Matthew 5:9 and Romans 12:16 to evidence the reason why we are Pilgrims of Hope.

History

This week, we began our new topic – Monarchs.

The children put British kings and queens from 880 – present day in chronological order, recording their reign as well as interesting facts.

Year 4

Spring 1 2026

Week 1

Homework

Maths – Atom Learning

RE (whole half-term) – Go to a supermarket and see how many products you can find that are Fairtrade, then make a PowerPoint or poster persuading people to buy Fairtrade products.

Art – (whole half-term) – Create a painting in the style of Georgia O'Keeffe
