

English

In English, we have been reading and working on Fly, Eagle, Fly! by Christopher Gregorowski. The children used adverbs of manner and time, as well as dialogue, to retell the story.

Maths

This week in Maths, we began a new topic – Multiplication and Division.

The children explored multiples of 3, 6 and 9, using their knowledge to answer multiplication and division word problems.

PSHE

In PSHE, we have been learning about assumptions and how they can affect someone we don't know.

Science

The children began their new Science topic – Electricity.

They explored different appliances and whether they use mains or battery power.

Year 4 Autumn 2 2025

Week 1

Catholic Social Teaching

This week, we explored the Preferential Option for the Poor.

As a class, we made a 'Our Helping Hands for the Poor' display, where the children wrote different ways we can show love and care for those less fortunate.

Gold Book

Lilah

You are a kind, positive, helpful member of our class who lives out our school values each and every day.

Well done, keep it up 😊

Please note

Anti-Bullying Week –
w/c 10th November – wear
odd socks

Mass on the 12th November
has been cancelled

Wonder by R.J Palacio

Geography

This week, the children began learning about Greece.

They used an atlas to locate the main regions, labelling them on a map and exploring small towns and main cities that are nearby.
