

English

In English, we have been reading and working on
The Twits
by Roald Dahl.

The children retold the chapter 'The Frog in the Bed' using coordinating conjunctions and dialogue with the reported clause at the start.

Star Writer – Eve
Handwriting Hero - Sonny

Maths

This week in Maths, we have finished our topic of Multiplication and Division.

The children have learnt to multiply and divide by 0, 1, 3, 6, 7, 9, 11 & 12.

International Men's Day

The children explained the importance of boy's/men's mental health and drew a picture of an influential male figure in their lives.

RE

This week, we began learning about Prophets and their roles. We started learning about Elijah and how he was a good example of being a Prophet.

The children also looked at representations of Jesse trees, drawing their own versions in their books in order to add symbols to on the lead up to Jesus' birth.

Science

This week, the children learnt about circuit components and their symbols. They then made some simple circuits to see which ones made a bulb light up.

Year 4

Autumn 2 2025

Week 3

Gold Book

Ryan

You have settled into Year 4 beautifully and work so hard in all of our lessons.

Well done! Keep it up 😊

Please note

Friday 28th November
is Decorate the Classroom Day.

Children can wear Christmas jumpers with their own clothes.
