

What St Cross means to me?

*My school is St Cross
It means a lot to me
It means a warm house
Where all children can connect
Where teachers are like parents
So caring, so caring and so wonderful.*

*My school is St Cross
Love, faith, and family are all meanings of St Cross
Equality is always around
Where all of us have the same opportunities.*

*My school is St Cross
It means safety to me
Where everyone is protected by the teachers, Headteacher, and God
Nothing is impossible for in God we trust
We can do anything when we believe.*

*My school is St Cross
It means heaven to me
Where we can learn about God
Where we feel peaceful while we pray.*

*My school is St Cross
It can change the life of a child
St Cross has changed my life already
Happiness fills my heart when I enter my school.*
