

14th July 2022

Dear Parents,

We are very excited to be introducing School Gateway to St Cross School, a parent engagement app that will allow you to pay for school trips, dinners and notify school of any sickness or absences. Wisepay and Studybugs will no longer be operational in September however we will continue to communicate with parents through our website email 'notifications@primarysite.net'.

All school related attendance figures, club bookings, dinners bookings and payments will now go through School Gateway from 1st September 2022. To stay up to date with what's going on at school please continue to see weekly updates on the school website and calendar.

Make sure you download the app now for free, in preparation for next term. Just search *School Gateway* in your App store and download:-

Apple iPhone users, download the app here: schoolgateway.co.uk/iosdownload

Android phone users, download the app here: schoolgateway.co.uk/androiddownload

Your login details will be automatically generated using the contact information St Cross School already has, so please make sure the details we hold for you are up to date. You can check and change these details by sending an email to the office at admin@stcross.herts.sch.uk

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible as it makes it far easier to get hold of parents when we need to.

Kind regards,

Mrs J Walsh
Headteacher
