

## **Other Faiths**

At St Cross, other faiths are taught discretely. This means that each faith is treated with integrity and not by comparisons or by isolated festivals. This teaching is of the key concepts of that religion.

The teaching of **Judaism** takes special attention because of the intrinsic relationship between it and Christianity.

Other faiths are taught from Year 1 onwards. During the Spring term one week is focused on the teaching of Judaism. During the summer term for one week there is spiral teaching of the three world religions: Sikhism, Hinduism and Islam.

**Sikhism:** Year 1 & Year 4

**Hinduism:** Year 2 & Year 5

**Islam:** Year 3 & Year 6
