Dear Parents & Carers

We're pleased to announce that St Cross is introducing a new, more efficient and secure system for reporting your child's absence due to illness, called Studybugs.

If you haven't already, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school.

[Get the app or register now](https://studybugs.com/about/parents) (<https://studybugs.com/about/parents>)

Thank you,

Mrs J Walsh
Headteacher

Top 3 Reasons to use Studybugs

- It's integrated with our systems so we know right away if your child is unaccounted for.
- It's quick and easy to register and use and automatically reminds you to keep us posted.
- The DFE have funded and are supporting the use of Studybugs in schools.
- You'll be helping the NHS and other public health organisations [improve children's health](https://studybugs.com/about/schools). (<https://studybugs.com/about/schools>)
