

24th April 2026

Dear Parents & Carers,

Year 6 will soon be taking part in their SATs - these tests take place during week commencing Monday 11th to 14th May.

In order to provide your child with as calm a start as possible to each day, we are offering a Breakfast Club specifically for our Y6 pupils. Children will be welcome to come to school at 8.15am and enjoy a nutritious breakfast (cereal with milk, toast, and fresh fruit) in the company of their friends.

All children should arrive on time and should enter school via the Breakfast Club entrance door. Siblings will be welcome to join the Wraparound Breakfast club if this help, but this will need to be booked and paid for in advance.

Thank you.

Yours sincerely

Mrs J Walsh
Executive Headteacher
