

Friends Of St Cross 2026 Challenge

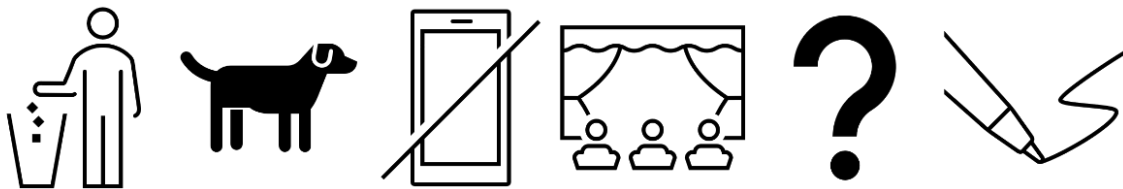

As part of our core 2026 fundraising target, we are looking to raise money to support the input of a shaded area in the playground for the children in the summer months as well as a new climbing frame.

Can you raise at least £20.26 over February Half Term?

If every pupil in the school can raise sponsorship of £20.26 (or more), they would help us to collect over £4254.00 to go towards the shaded area in the playground and a new climbing frame.

Please have a chat with your child or children and see if they would like to get involved. The sky is the limit when it comes to ways in which they might like to raise their £20.26

It may be individually, as a family, or as a group of friends. They can choose an activity on a single day or undertake a series of tasks. Below are a few ideas if you need any help, please contact your class reps

Litter Picking * Dog Walking * Technology Detox * Put on a show * Host a Quiz * Spelling Challenge

Sponsored Silence * Sponsored Walk/Run * Readathon * Sponsored Bike Ride

There's no need to worry if they don't manage to raise the full amount, as long as they have fun, all contributions big or small will be very gratefully received.

Once the challenge is completed, please send your child in with their sponsorship form so they can collect their certificate. Funds raised can either be paid via the School Arbor App (under the School Shop Products tab) or directly into the Friends Account by Saturday 28th February 2026:-

Sort Code: 30-99-50
Payee: Friends of St Cross

Account number: 33825063
Bank: Lloyds

Thank you and best of luck to all who take part.
