Comments:

- My children love coming to school and enjoy the different aspects of school life. Special mention to Mr Dance who is such an asset.
- My child has settled at St Cross and it's been a joy to see her progress so well into the catholic beliefs and other aspects of her learning. Very pleased with her progress
- I would highly recommend St Cross to others, it has such a family feel and is a really lovely school. My daughter's teachers, deputy and head teacher are all very welcoming and have made my little one's school experience wonderful. They know her really well and this is true for all the pupils.

Our next steps include:

- More trips for each year group - parent support is needed please.
- Providing more communication about your child's progress. Introduction of book looks regularly, forum, and reports.
