

Friday 17th October 2025

Dear Parents,

I am writing to inform you about important building works that will be taking place at St Cross Catholic Primary School, specifically the replacement of Key Stage 2 bathrooms.

The building works are scheduled to commence on Monday 20th October 2025. During this period, portable cabin bathrooms will be installed in the main playground. We have carefully planned these improvements to enhance our school facilities while minimising disruption to our pupils' education.

Key changes you should be aware of include:-

Bathroom Arrangements:

Pupils will now follow a new procedure when needing to use the bathroom. They will sign a designated book, collect a bathroom pass, and proceed to the porta-cabin facilities located in the main playground.

Lunchtime Adjustments:

To ensure compliance with health and safety regulations, we have modified our lunchtime schedule:

- Reception, Year 1 and Year 2: 11.30am -12.30pm
- Year 3, 4, 5 and 6: 12.15pm-1.15pm (with lunch served in the hall at 12.15pm)

We understand that these changes may cause some inconvenience, but we are committed to maintaining a safe and productive learning environment throughout the building works. We anticipate the project will be completed by 10th November 2025.

We appreciate your continued support during this period of growth and development at St Cross School. Should you have any questions or concerns, please do not hesitate to contact myself or a member of the leadership team.

Kind regards,

Mrs Joanne Walsh (She/Her)
Executive Headteacher
