

English

This week we have been reading *The Ant and the Grasshopper*. We learnt about expanded noun phrases, how to use ! and ? accurately and the importance of using lots of different sentence openers.

Star Writer: Emmy
Handwriting: Jude

Computing

We learnt about information technology and what devices we use.

History

We have learnt about 'living memory' and thought of questions we would like to ask our parents and grandparents about their school.

Science

We are learning about living things. We learnt about life processes and identified the characteristics of living things.

Art

We have learnt how patterns can create textures. We carefully copied different patterns.

Gold Book

Grace for using her great oracy skills when answering questions in maths.

Maths

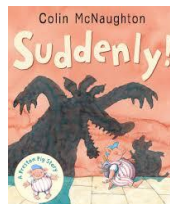

This week we have been learning about place value. We have been recognising tens and ones in numbers and putting them in a part-whole model.

Year 2 Oscar Romero Autumn Term

18.09.26

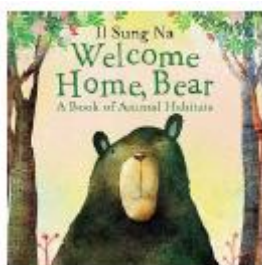

Reciprocal Reading

Please note, the children will be heard read regularly during these sessions.

For the first few weeks, we are learning to read together in a group and carry out the roles of predictor, clarifier, questioner and summariser.

Next week...retell
