Homework

Atom Learning- Maths activity

TTRS – Garage activity

Spellings and Reading

RE Home Learning- Due 17th October- Re-build my World- Peace and Creation- Draw, paint or make a model using recycled materials. Show us your favourite animals, plants or a beautiful part of our earth.

Christmas Cards- Due 12th October- All instructions on the sheet your child has.

Maths

In Maths this week, we have looked at numbers up to 1,000. We first looked at these on a number line, estimating what number was missing. We then moved on to comparing and ordering numbers to 1,000.

Star Writer

William

Fantastic Handwriting

Helen

PSHE/RSE

We looked at Rewards and Consequences this week. We all wrote down one thing we are responsible for in our school, thinking about the benefits that brought to the school. We then discussed some different scenarios and how the children should respond in them.

History

We started exploring the Bronze Age this week, moving on from the Stone Age.

We explored the artefacts that a man would have had in the Bronze Age and tried to work out what they all were.

Science

This week we have looked at muscles and movement. We discussed where to find different muscles in the body and what the different muscles did.

We then made a model of our hand and talked about the different joints within our hand.

English

We have been reading the book 'How to wash a woolly mammoth' and have written some instructions on how to do this. The skills we have looked at are rhetorical questions, using colon and bullet points and imperative verbs.

We also started our new reciprocal reading book early, which is called The Hundred-mile an hour dog.

RE

This week we have learnt about the letter Pope Francis wrote, the Laudato Si', which teaches us how to look after God's creation. We looked at how we have been called to love God, each other and Creation, and what this looks like in our everyday life.

We also looked at what stewardship means and wrote a letter to Pope Leo, describing how we can be good stewards of Creation.

Art

This week we worked from our imagination, listening to a story called Hippocrump and mark making as we listened. We then coloured our Hippocrump in using oil pastels.

PE

Swimming

Year 3

Autumn 1 2026

21.9.26 to 25.9.26

NOTICES:

Please can you all bring in one piece of food packaging, for us to look at the nutritional values in our Science lesson next week. Please avoid anything that has nuts in and make sure the packet is clean before sending it in. Thank you.

Reminder to send your child in with a water bottle and a healthy snack if they would like (not crisps).

Gold book

Jacob for coming in so well in the morning this week and getting stuck in with his learning. Well done Jacob, we are very proud!

Spellings- to be tested on 1.10.26

(Remember you can choose to learn 5, 10 or all 15)

Homophones and near-homophones.

1. accept
2. except
3. affect
4. effect
5. brake
6. break
7. grate
8. great
9. here
10. hear

RE and Science words

11. Scripture
12. Genesis
13. muscle
14. contract
15. relax
