English

This week our learning was based on the book Plenty of Love to go Round, about a pet dog who is jealous of a new cat joining the family home. We wrote a list of things dogs need. The children did their first Star Write today and they all worked very hard on their writing.

RE- Creation and Covenant

This week we have been thinking about how the world is a gift to us from God and how he would like us to treat it. We have been thinking about how to take care of our world and we created a poster with our ideas. We have also thought about times we may not have taken care of the world and what we can do better next time.

RE homework - God's Beautiful World

due Friday 16th October

See poster on next page

Science - Seasons

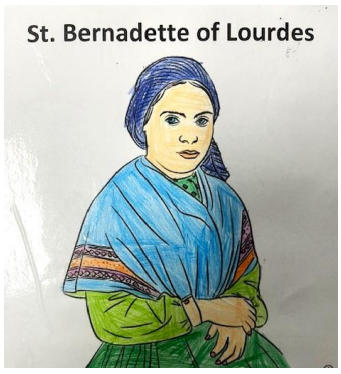

We learned about deciduous and evergreen trees and about what happens to them throughout the year in the different seasons. We did finger paintings of trees in spring, summer, autumn and winter.

Maths - Place Value

This week we completed our learning on place value from 0-10. We compared and ordered numbers and started to find and estimate numbers on a 0-10 number line. Next week we start our unit on addition and subtraction within 10.

I have set some Anton app Maths homework this week focusing on ordering and sorting numbers 0-10. Your previous logins should still work but I will print spares in case you need them.

Year One

Gold Book:

Alessia

Alessia is a fantastic role model to her peers and is always suggesting ways to help in the classroom. Well done!

Spellings homework

There will be an informal quiz on Thursday:

drum
bright
paint
milk
spoon

Art - Collage

We made outdoor circle collages using natural resources in the style of the artist, Richard Long.

Phonics and reading

Thank you all for returning books promptly this week. Your child should have a new book to read over the weekend. Please ensure reading pouches are in bags daily so we can record the reading we do at school.

PE - Fundamentals

This week we practised hopping and jumping, making sure we are bending our knees and using our arms to help us.

Forest School

The children had another brilliant week in Forest School this week. They are thoroughly enjoying their outside learning experience.

St. Francis of Assisi Feast Day

To celebrate St. Francis of Assisi's Feast Day on Monday, on Friday afternoon we made pinecone bird feeders. We hung these in the garden for the birds to enjoy in the coming weeks.

Class book share: Every week we invite the winner of the Gold Book to share their favourite book with the class. **Next week's book share: Alessia**

St.Cross Catholic Primary School

Re-build my World

God's Beautiful World

KS1
Recepition, Year 1 and Year 2

What to do?

Draw, paint, or make a model using recycled materials!

Show us your favorite animals, plants, or a beautiful part of our earth.

When is it due?

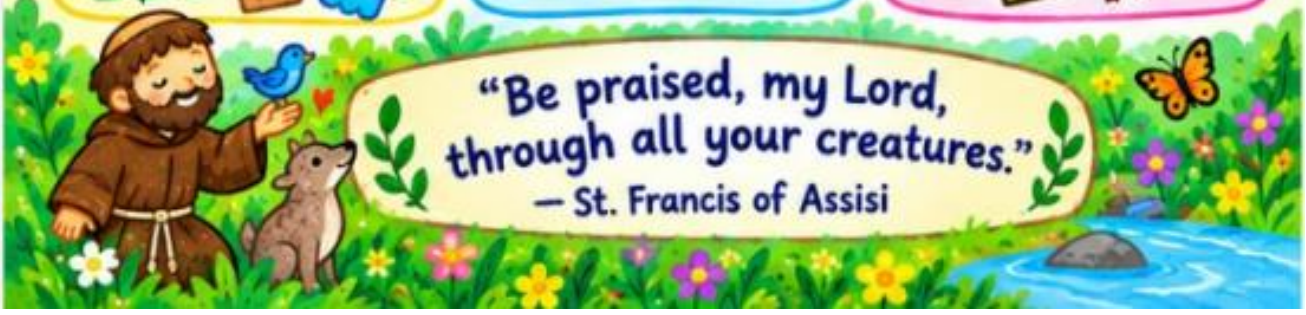

Deadline:
Hand your artwork to your class teacher by

Friday 17th October

Celebrations!

A certificate and prize for the best in each class.

Rewarded at Friday celebration Assembly.

"Be praised, my Lord, through all your creatures."
— St. Francis of Assisi
