

English

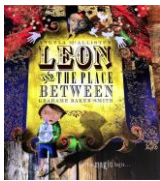

This week in English, we have been learning about the remarkable inventor *Nikola Tesla*. The children carried out their own research to find out more about his life and achievements before writing informative biographies. They worked hard to organise their writing using headings and subheadings and used subordinating conjunctions to create complex sentences.

★ Star Writer ★ - Claudia

✍ Handwriting Hero ✍ - Leo

📖 Text next week: 📖

Leon and the Place Between

Maths

In Maths this week, the children have been developing their addition and subtraction skills by using the formal written method, including exchanging. They have drawn upon their place value knowledge to support their calculations, showing confidence when solving problems independently.

Year 4

Autumn 1 2026

Week 5

RE

This week in RE, we continued our topic, **Creation and Covenant**. This week, we explored why Abraham is a model of prayer. The children wrote thoughtful prayer dialogues between Abraham and God, helping them to understand Abraham's trust and faithfulness. They also made links between traditional prayers and the theological virtues of faith, hope and love, considering how these were reflected in Abraham's actions.

Spellings

to be tested on Thursday
15th October

station	position
action	education
nation	
fraction	prayer
question	trust
mention	believe
attention	model
invention	Amen

Science

In Science this week, the children put their knowledge of digestion and food chains to the test by becoming 'poo detectives! They investigated animal droppings, identifying what different animals had eaten using clues to work out where they belonged in a food chain. They demonstrated excellent scientific thinking by making observations and justifying their ideas.

Gold Book

★ Jack ★

Your enthusiasm, hard work and determination during English lessons this week has been incredible! I am so proud of you! Well done! 😊

Art

This week in Art, the children continued exploring the work of *Georgia O'Keeffe*. They carefully observed and sketched sections of flowers before creating enlarged artworks inspired by O'Keeffe's style and techniques. The children experimented with colour and developed their painting techniques.
