Homework

Atom Learning- English

TTRS – Gig

Spellings and Reading

Maths

In Maths this week, we continued with addition and subtraction. We started with making connections using our previous learning. We then focused on adding and subtracting two numbers with no exchange, before moving on to adding two numbers across a 10.

Star Writer

Sanuki for a wonderfully written star write.

Fantastic Handwriting
Jack for showing a real improvement in your

Science

This week we focused on balanced diet. We built on from our learning last week, where we looked at the seven nutrient groups.

We created our own balanced and unbalanced meal, naming the nutrient groups present in each meal. Our partner then had to work out which meal was which.

PSHE/RSE

We looked at feelings this week, identifying how different people were feeling in different scenarios.

History

This week, we celebrated Black History Month. We discussed why we celebrate it every year, and looked at some famous people both from the past and present day.

We also compared life in Iron Age settlements to Neolithic settlements; identifying change and continuity between the periods.

Year 3

Autumn 1 2026

12.10.26 to 16.10.26

English

We have been reading the book 'Stone Age Boy' by Satoshi Kitamura. We have begun to retell this story using fronted adverbials of time/manner, paragraphs and expanded noun phrases.

We also continued to read our book The 100 mile an hour dog in Reciprocal Reading.

Spellings- to be tested on 22.10.26

(Remember you can choose to learn 5, 10 or all 15)

accident
appear
arrive
different
difficult
disappear
occasion
opposite
possible
suppose

Science and RE words

balanced
unbalanced
Holy
Canticle
Praised

RE

This week we looked at the Offertory Prayer, learning what an Offertory prayer was and then looking at some examples.

After we looked at some offertory prayers, we then wrote our own one, thanking God for the gifts and talents he gave us and praying that he continues to be with us.

NOTICES:

Unfortunately, we did not make it to Mass on Wednesday but we are looking forward to going again soon.

Everyone did so well at swimming; it was a real pleasure to watch see their progress.

Please send your child in in their PE kits with their house colour top, on Monday for House Cross country. Then PE kit on Wednesday for a fun PE lesson as swimming has finished.

One more week until half term!

Art

This week in Art, we selected and developed part of an image. We used a viewfinder to choose a section of our picture and then drew our own version of it in our books.

Gold book

Hugo for always being so helpful in the class and working so hard. For also making an amazing piece of RE home learning.
