English

We have been writing instructions on how to make a mummy! The children explored the key features of instructional writing, including the use of imperative verbs, fronted adverbials and clear, sequenced steps. They have worked hard to apply these skills to create engaging and informative instructions.

Maths

In Maths, we have been developing our understanding of common factors, common multiples and prime numbers. Mr O'rouke came along to see some of our maths lesson yesterday and complimented how well the children behaved and how engaged they were with their learning. I am so proud of them!

RE

We learned about the Cardinal Virtues and discussed how these virtues can help guide our choices and actions in everyday life. The children shared thoughtful ideas and made meaningful connections to their own experiences.
