Maths - Addition and subtraction

We are learning that the bonds to 10 are systematic. If your child has expert knowledge of these it will help all aspects of their maths going forward so please do practise at home.

0 + 10 = 10
1 + 9 = 10
2 + 8 = 10
3 + 7 = 10
4 + 8 = 10
5 + 5 = 10
6 + 4 = 10
7 + 3 = 10
8 + 2 = 10
9 + 1 = 10
10 + 0 = 10

Art - Collage

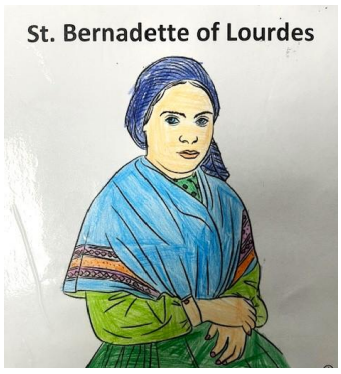

We made collages of our initials using shiny and dull materials.

RE- Creation and Covenant

We thought about prayer in action - how we can show God our love by the actions we carry out. We went on a litter pick around the school to show God our love for his world. We learned about prayer and how to pray. We learned about four kinds of prayer - praise, giving thanks, saying sorry and saying please.

Thank you for all the efforts you and your child have gone to in producing your recycled art projects this half term. They are incredible!

Year One

PSHE

We talked about making poor choices in the classroom and how we might face a consequence if we make a mistake in our behaviour choices.

House cross-country reminder

Please remember to wear PE kits with a T-shirt in your house colour on Monday for our annual house cross-country competition. This is non-competitive for KS1 and all children will earn points for their house.

Music

In Music, we enjoyed singing different call and response songs. We worked on rhythm and pitch.

PE - Fundamentals

This week we started our new topic on ball skills. We practised controlling a ball by dribbling it first with our hands and then with our feet.
