## Science

This week, in Year 6, we have investigated whether light can bend and learned how to draw scientific diagrams.

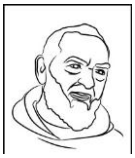

## +÷Maths×-

This week we have been ordering, adding and subtracting fractions.

**Whole-School Competition: Design a Maths Board Game!**

Create (and optionally build) a game tailored to your year group's maths skills-perhaps a board game. Example for inspiration: A twist on Snakes and Ladders- if you land on a snake, you draw a card with a maths problem. Get it right within 10 seconds and you stay put; get it wrong and down you go!
Two winners will be selected: 1 from KS1 and 1 from KS2.
Good luck!

## English

This week, we have planned and drafted our additional pages for Wisp: A story of Hope. We have tried to include figurative language and precise verbs to build a picture in the reader's mind.

## RE

This week in RE, we have been learning about 3 more important women in salvation history. We have analysed scripture and looked at art work to understand why God chose these women and how they help to rebuild our relationship.

## Gold Book

**Harry B**

Well done for working so hard on your Maths this week and helping your peers too.
